

Woodbury Oral Surgery

For those who wish to enhance their appearance, today's cosmetic procedures offer the opportunity to sculpt physical features and improve self-esteem.

Patients who undergo cosmetic procedures can look forward to gaining self-confidence and a sense of well-being from looking, feeling and functioning at their best.

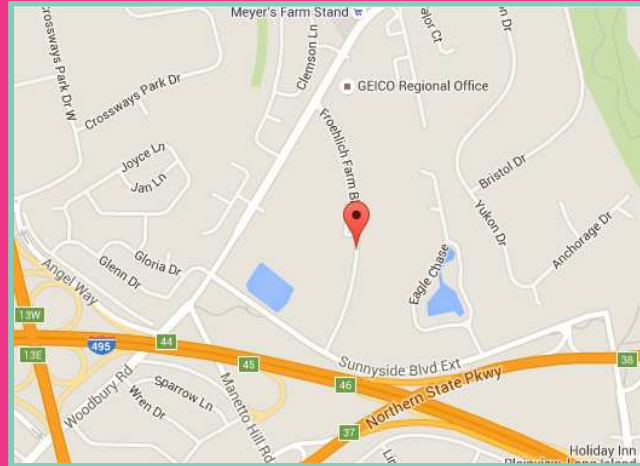

The main focus of our practice is the complete satisfaction of all of our patients. Every effort is made to ensure that our patients make well-informed choices and achieve the best results possible, all within a comfortable and confidential setting.

At Woodbury Oral Surgery, Dr. Slava Shapiro looks forward to working with you, answering your questions and helping you look and feel your very best!

and Kybella Specials

Welcome to our practice!

It's time to...

Look as young as you feel!

BOTOX® and Fillers improve:

- Smile Lines
- Vertical Lip Lines
- Brow & Forehead Wrinkles
- Diminished Volume in Cheeks

BOTOX® Cosmetic is the only approved treatment to temporarily improve the appearance of both moderate to severe frown lines between the brows and crow's feet lines in adults.

JUVÉDERM® XC is the first and only dermal filler for facial wrinkles and folds FDA approved to last up to 1 year with initial optimal correction.

BOTOX®
—Cosmetic
onabotulinumtoxinA injection

There's only one BOTOX® Cosmetic

KYBELLA® the only injection treatment that permanently dissolves your "**Double Chin**". Now it's possible to get rid of hanging facial fat. Rejuvenate your face while restoring your youthful beauty.

Are your lashes thinning over time?
Not enough lashes? LATISSE® grows lashes *longer, fuller and darker*.
Ask us if LATISSE® is right for you.
Available only through a doctor, LATISSE is a once-daily prescription treatment.

Latisse®
(bimatoprost ophthalmic solution) 0.03%

Once Dr. Shapiro has had the opportunity to meet with you and discuss your case, he will supply a full estimate of fees so that you know all your faces and figures.
